

Maintenance Surveyor Property & Development

South East

£Excellent + Car + Benefits

To cater for the Company's continued expansion and to cover our existing stores in the South East region, a Maintenance Surveyor is required based at our office at Thrapston.

You will assist with all the building maintenance support our stores and distribution centres need - placing routine and emergency orders with contractors, monitoring the quality and performance of work, plus addressing the essential areas of insurance, fire and Health & Safety.

You will have had a wide range of experience in the construction industry, particularly relating to negotiation, motivation of others and achieving value for money, but your main attributes will be vision and common sense. You should be qualified to HND or equivalent in Building Studies.

A thoroughly enthusiastic approach, close attention to detail and an ability to liaise effectively with relevant departments to meet Company objectives, will all be key considerations in your appointment. Expect rewards to attract the best including a competitive salary, company car/allowance if appropriate, profit share*, pension scheme, life assurance and staff discount (*after qualifying period).

If you have the qualities we're looking for, please write enclosing your CV and salary details, quoting the reference PD/MST, to: The Resourcing Team, Wm Morrison Supermarkets plc, Hilmore House, Gain Lane, Bradford BD3 7DL or email: property.jobs@morrisonspc.co.uk
