

# In-House Security Supervisors

## Woodhead Bros (Spalding) Ltd Swan Valley, Northamptonshire

With in house and third party managed distribution, manufacturing and packing sites across the country we are currently looking for experienced Security Supervisors at a variety of sites. All our sites are extremely busy with a large throughput of traffic, deliveries and visitors **24 hours a day**.

Reporting to the Site or Regional Security Manager these are extremely demanding and varied roles with duties including:

- To supervise and motivate a team of Security Officers under the direction of the Regional Security Manager
- Carry out internal security investigations where necessary and as requested.
- Ensure all staff, visitors and goods are consistently safe and adhering to company health and safety policies
- Liaise with management and external services regarding security issues and to escalate any issues accordingly.
- Assist in the reduction of shrinkage and loss.

This role is an excellent opportunity for a motivated and ambitious individual who possesses a mature and responsible approach, and has great attention to detail. A tactful approach is necessary and knowledge of security systems is essential.

This is a demanding role which requires a reliable, enthusiastic, confident, friendly individual with a positive personality. Applicants are required to have previous experience within a security environment, preferably with some supervisory experience. You should have a flexible approach and be able to work on a 4 on, 4 off shift pattern, including both day, night and weekend shifts. It is highly advantageous to have previous administration and up to date PC skills are essential.

If you are interested in facing a new challenge and have the skills to strengthen our team further, then we want to hear from you.

We offer an excellent benefits package, including good rates of pay, pension scheme\*, annual profit share\*, subsidised canteen and staff discount. Uniform and full training provided (\*after qualifying period).

Please send your CV and salary details, stating your preferred location to: The Resourcing Team, Wm Morrison Supermarkets Plc, Hilmore House, Gain Lane, Bradford, BD3 7DL, or email [security.jobs@morrisonspc.co.uk](mailto:security.jobs@morrisonspc.co.uk)
